

CATCH THE DREAM

Gov. Mel's message

Lions, Lioness', Leo's, we are fast approaching our Student Speaker District Contest, I want to thank all clubs that have participated this year, they are our future. April will be the deciding venue for our top speaker, although I must say that all participants are winners, they stepped up and met the challenge. This is something that we as members of our Lions Clubs International must do, remember why you became a member of this great organization and don't keep it to yourself, invite someone into the family of Lions and show them the pride we all share.

MD4 Convention in Riverside was very well attended, kudos to PDG Merle Schulze and PDG Dwight Winans for showcasing our District. Many thanks to our Lioness District, they were visible every where, the gift bags for dignitaries were great, their assistance at registration for Council of Governor's was very professional and their operation of the Lions Goods Store provided members an opportunity to shop and see our Lioness District at work, assisting our Lions. The exhibit tables were a bit hit! Thank you to all who made out District shine for this event.

We returned home to the sad news that Region Chair Brian Gray passed away; there will be a Celebration planned by myself and Lion Shirley Nelson to celebrate the life of this very great, selfless, Lion. When plans are completed notification will be sent to all. Our hearts go out to Lion Roman Pineda and the Cathedral City Breakfast Lions.

Remember to support our Student Speaker Contest, and as we wind down, we need to consider the positions of Region and Zone Chairs. The nominations should have been submitted to the committees and we need new faces, this is our district, not just one or two to always be called upon to serve. It has been stressed this year that it is a time to change our way of thinking and remember why we became Lions. Please step up to the plate and take part in the mechanics of our district. It is not I Serve, it is We Serve and we, as Lions need to participate.

Until next month try to keep in mind that we are still losing members, while we are still bringing in new members it is not enough to offset the loss. Be a friend, ask a friend.

Yours in Lionism, DG Mel Niez

Cabinet Secretary Report

Please keep in mind why you chose to become a Lion and share that excitement with others, invite them to a club meeting and show them what Lions are all about. Be sure to report service hours, eyeglasses, and donations on your MMR and SDR. Reminder, you can send your reports to me by email dmjepsen@aol.com or send them to me by mail, 12505 Geronimo Ave., Victorville, CA 92395. Again, thanks to the secretaries that sent his or her club report to all of us on time. To the clubs that do not get their reports in on time please, please try to get them in.

The year is ending as you all know, so let's do all we can to finish the year on a up note and have as many 100% Secretary as possible.

Yours in Lionism, Donita Jepsen,
Cabinet Secretary

1st VDG Bill's Message

Hello District 4-L5:

We are now past the MD-4 convention and moving on towards our student speaker finalists, the April District Meeting and our District Convention. I want to say thank you to the Host Convention Committee for their work on the MD-4 convention. For the average Lion in attendance, I believe the convention was a success. I personally enjoyed the time with old friends throughout the state and made several new ones. The various seminars were great and the topics as diverse as the speakers themselves. PDGs Merle and Dwight and the rest of the committee did great. I would be remiss if I did not thank the many individual Lions and Lioness, too many to do by name. Your service at the convention was simply invaluable. I know that Grand Terrace and Hemet Breakfast were there in numbers, but there were individual efforts from Jurupa and Magnolia Center. I am sure I am missing someone, but you did great. I will close with a sad note. We lost Region Chair Brian Gray to his fight with pneumonia. Not only was Lion Brian a fine Lion, but he was a man I could really call friend. His loss leaves a hard to fill gap. His selfless service and kind manner will be greatly missed.

See you around the District, yours in Lionism, 1st VDG Bill Windham

2nd VDG Ken's Message

My fellow Lions,

If you didn't attend the MD-4 Convention in Riverside this past month, you missed out on a great opportunity to re-energize your commitment to the cause of Lionism. I don't know about the sessions I didn't attend, but I do know about the ones I did and they were informative, interesting and enjoyable. I would give them an A+ rating. The presenters did an outstanding job in getting their message across. I take my hat off to the organizers of the convention. Your effort is to be commended. Student Speakers is here and the support of all of our Lions is important to these young people. We Lions are sponsoring this very rewarding project so we need to be present in support of these students who are seeking to financially support their endeavors at higher education levels. Also, don't forget, we have the District 4-L5 Convention coming up in May. Look for the Convention Application in this and future issue of the Pride. The District has lost a valuable Lion with the passing of Lion Brian Gray. His dedication and commitment will truly be missed.

Keep the FUNN in Lionism, 2nd VDG Ken

Valley Region Chair Report

Greeting from the Valley... Well the Valley is hard at work with all the projects and Student Speaker contests going on. The clubs are all doing a great job at their level and all the Zones have their dates set for the next level. Murrieta has had a Spaghetti Dinner. San Jacinto is still working hard on having an Open House this month. I want to thank Zone Chairs Lion Martha Windham (HBLC) and Lion Angel Lopez (SJLC) for holding down the fort for the District Meeting back in January while Zone Chair Lion Doug Johnson and I attended Lions Leadership training. I encourage all Lions to plan on attending this training program – it is well worth it. It was nice to see some of my friends from the training at the MD-4 Convention. A special thanks to Lion Shirley Harms from the Valley for all of the work she does with the Flag Days throughout the Valley. The Valley has learned so much from Lion Shirley not to mention how she has touched the lives of so many students along the way. We (Lions) couldn't have done this project so successfully without her. Thanks again Lion Shirley. The Lions from the Valley are looking forward to see everyone at the next District Meeting as well as the 4-L5 Convention. Have a great St. Patty's Day and a wonderful month of March.

Lion Camille Roberts -Valley Region Chairperson

South Citrus Region Chair Report

It seems to be short-sighted if we abide Lionism to one club per city. One thing you can say about Lion Emerson Campbell of Riverside - he is not short-sighted. He shepherded the new Downtown Riverside Lions club into existence. WELL DONE! Has Lion Emerson stopped to rest? NO!

He is working on more clubs for Lions. Sounds right to me, and it is right for a city of this size. It is inspiring just to talk to Lion Emerson who is proving that there is just not enough Lionism to go around. Shake Lion Emerson's hand to feel the power of dedicated Lionism.

South Citrus Region Chair, Lion Jim Ward

North Citrus Region Chair Report

A lot has happened since the last article; we lost a Region Chair, 4L5 hosted a Multiple District Convention and Lions do as they always do, we continue to SERVE.

The 73rd Annual Student Speakers Contest is in full force, and some of the clubs had their contests and chose a student to participate in the Zone contest. *Universal Healthcare-How Will It Affect Us?* What a timely and interesting subject.

The North Citrus Region Contest will be held on March 20, 2010 in Barstow at the Community College, 2700 Barstow Rd., Barstow, Ca. 92311, in Classroom #B1 at 11:00 a.m. sharp. All participating students and judges must arrive no later than 10:30 a.m. Light refreshments will be served immediately following the contest. Please call or write direct to Rose Magnuson with approximately number of Lions and guests that will be in attendance so we can purchase sufficient snacks and soft-drinks for all attendees.

Also, following the contest a Region Meeting will be held to elect our Zone and region chairs for the coming fiscal year as well as a new member of the District Budget and Finance Committee.

Cabinet Treasurer Report

Time sure goes by quickly! All of the Clubs should have received their dues billings from Lions Clubs International. It is very important that your club dues are paid on time. It reflects poorly on your Club and the District if they are not paid on time. Shortly, your MD4 bills will be arriving. It is also very important that this bill be paid promptly; as this is the money the District operates on.

I would like to thank everyone for their promptness in making their reservations for the January District meeting in Hemet. There was a great turn out! I would like to thank PDG Dottie Allen and her helpers for greeting everyone with a smile as they marked names off the list!

Cabinet Treasurer Dani Bubier

Lioness Chair Report

We were very busy this month. We were in charge of sign-ups and giving out the “goodie Bags” at the Council of Governors Meeting in Riverside. Then, immediately following, we staffed the Lions Store at the MD-4 Convention. We had a fantastic display in the exhibit hall, where we met some great Lioness from other Districts, who were also exhibiting.

The Lioness Seminar, conducted by PDG Lion/Lioness Dennis, was well attended and very informative. Everyone noticed our purple hats and attire and commented on how great we looked; a special thank you to everyone who volunteered to help at these events. We made it known that we are a valued part of Lions District 4L-5 and are here to stay.

I am so proud to be a Lioness
Lioness Chairperson, Barbara Rhodes

North Citrus Zone Chair's Message

Dear North Citrus Zone Chairs:

In accordance with Article IX section 4, 5 and 6 of the District Constitution, it's time again to elect Region and Zone chairs for the coming fiscal year. All nominations must be in writing and sent to each Zone Chair and to me as Region Chair and **MUST** be received not later than March 15.

Election will be held at the Region meeting immediately following the Student Speakers Contest on March 20th. Please encourage all qualified members to serve the district. Please read the upcoming article in the March issue of the Pride or contact me with any questions regarding the meeting on March 20th.

North Citrus Region Chair, Lion Rose Magnuson

South Citrus Region Zone "A" Chair Report

Fellow Lions/Lionesses:

This is another reminder of our forthcoming **Zone "A"** meeting on **Thursday, March 11, 2010, at 7:00 PM**, to be conducted in the Grand Terrace Lions Club Community Center, 22130 Barton Road, Grand Terrace. All Clubs are invited and encouraged to join in witnessing three fine winners at the club level compete for the honor of participating at the subsequent South Citrus Region level contest.

If you would like to volunteer for a job at this Zone contest, please let me know as soon as possible. Certain responsibilities are necessary at each Student Speakers contest.

If you would like to bring some light refreshments, please let me know also as soon as you're able. The e-mail addresses of many of our Lions and Lioness members are unknown to me. Please spread the word about the Zone "A" contest to your fellow Lions and Lionesses. Your club doesn't have to be located in this Zone for you to be warmly welcomed on the 11th of March.

Hope to see you on the 11th.

Lion Hugh Grant, PDG, Zone "A" Chair/So. Citrus Region

Public Relations Report

PUT PR IN MOTION

"Give your club the recognition it deserves. Tell your local community about upcoming events, and awards, in order to garner more community interest and awareness of your club and its various programs."

Tell the public how your club supports the youth in your community through Scholarships, Boy Scouts, Girl Scouts, Youth Football and Baseball programs, The Peace Poster Contest, and our Student Speaker's Contest. Along with the articles, put in some pictures. People like to see themselves in print. Why not tell your community how your club and Lions Club International have supported the many disasters we have had in the world. Tell them about our re-cycling of used eye glasses in order to help those in need of glasses and sight. Let the public know of your up and coming events, fund raisers or service projects, and what they are for; as well as, how they will help and benefit the needs of your community.

Has your club given a Melvin Jones Fellowship to a deserving community leader, or Lion, for his or her outstanding work and leadership in your community? Did you let your community know how prestigious this award is? Spread the word about your club's efforts and about its hands on approach to serve your community?

Do it today! Do it now! Let your community be part of your Lions Club. This is Public Relations!

Leadership Chair Report

STEP UP TO THE CHALLENGE

Every year around this time Lions from the club level up face the same problem: Finding willing Lions to step up to the challenge and accept club offices. Each year at this time we need to stop, reflect and decide what commitment *we* can make to our clubs, zone, regions and District. No matter what level you step up to the challenge for you will be to:

Motivate:

- a) recognize the efforts of the club. Focus on the positive!
- b) Be enthusiastic
- c) Develop a team spirit
- d) Remember to respect each other

Think Big:

- a) Try new things, don't get into a rut
- b) Keep pace with the changing times
- c) Let the community know what contributions Lions are making

Counselor:

- a) Be a good listener, be open to new ideas
- b) Provide guidance when needed
- c) Remember that even good clubs can get better

Come on and STEP UP TO THE CHALLENGE!!

Teresita Pines is holding its **Annual Lions Work Weekend on April 10th – 11th**. Please come and support us by helping in many different jobs around the camp. Free Food and Lodging – if you wish to stay over bring your own sleeping bag and pillow! What better way to do service and enjoy fellowship with Lions at the same time?

Why Do We Love Children?

While working for an organization that delivers lunches to elderly shut-ins, I used to take my 4-year-old daughter on my afternoon rounds. She was unfailingly intrigued by the various appliances of old age, particularly the canes, walkers and wheelchairs. One day I found her staring at a pair of false teeth soaking in a glass. As I braced myself for the inevitable barrage of questions, she merely turned and whispered, 'The tooth fairy will never believe this!'

Friends Across the Border

Friends Across the Border is working on a new program to help each club with their request for a vision screening and used pair of eyeglasses. We are planning on having sight clinics in your area throughout the year. Each club President will receive an application form to give to the patient. You will tell the patient or school official when and where our next clinic will be. We will give the patient a vision screening and a used pair of eyeglasses. If a proper match cannot be found we will make a new pair with one of our used frames. If we need to make the prescription we will invoice your club, \$20.00, for the cost of the glasses.

I am happy to give a program at your club meeting or Zone Meeting. I am scheduled to give a program at the Zone "A" Meeting, North Citrus Region on March 13.

Guide Dogs of the Desert

On Thursday, February 4th a big bus pulled up in Guide Dogs of the Desert's driveway with 50+ governors and past governors. What an honor it was for us to have so many Lions at our school! After Tom Davis, our President of the Board of Directors, welcomed everyone, we had lunch and a presentation by Lion Roccie Hill, Executive Director and Bob Wendler, Director of Canine Operations. Mindy Romero demonstrated the skilled work of one of our guide dogs in training, Mary. Past International President Judge Brian Stevenson actually walked with Mary with his eyes closed to get the feel of working with a guide dog.

District Governor Mel Niez presented us with another generous check towards her Governor's project which is to be used to build our new whelping center. It was a great day!

Please put March 14th on your calendar. We will have six people and their guide dogs graduating. Our graduations are a glorious celebration of the safe mobility, loving companionship and "miracle of independence" our clients can realize when they have one of our guide dogs in their lives. This will be the last graduation held at our Whitewater campus before our upcoming move to the San Jacinto Valley so we hope you will be able to come celebrate this momentous occasion with us.

**DON'T MISS OUT – COMING SOON – MAY 13-16, 2010
GRAND OPENING OF MEL'S DINER – PRIMM VALLEY CASINO RESORT**

The Convention Committee for District 4-L5 is planning a great time for everyone! We will be welcoming in our District Governor Elect Bill Windham and 1st District Governor Elect Ken Reed. Past Region Chair Walt Gridley, from the Silverlake/Helendale Lions Club has thrown his 'hat in the ring' for 2nd Vice District Governor. (This year he stepped up to the plate and is re-serving as Zone C Chair in the North Citrus Region.).

Rumor has it that between everyone we should have some pretty nice hospitality rooms!

The Primm Valley Resort has had a change of policy so passing along for your information. When you make your reservations the hotel will charge you for one nights lodging in advance. We have talked with the hotel and they have stated that, if due to illness, you would be refunded this charge!

Registration forms with information will be sent out to all club Presidents and we ask that the officers of every club get this information to their respective membership and encourage attendance at this yearly event. It is a wonderful time for camaraderie and fellowship at its best.

FRIDAYS ACTIVITIES:

Golf is being offered on a "world class course" voted by those that know! Don't pass up this opportunity to try your skills where the 'best of the best' has played! 2nd VDG Ken Reed is in charge of handling this activity.

We were able to secure Bowling at the South Pointe Hotel in Las Vegas for those that wish to do this. It will begin at 2:00 P.M. – \$20.00 – PCS/T Doretta Theis will chair this event for us.

PCS/T Jim Klocek will be in charge gathering everyone who wishes to 'try their luck' in the Slot Tournaments. We are offering it three times on Friday – 10:00 AM, 9:00 PM and 10:00 PM. This is a very easy tournament and at only a \$20.00 entry fee Lion Jim is very generous in the payouts! Get your name on the list early as with the popularity of this you can only enter once!

Of course participating in all the activities offered puts **FUN** into the convention! Be sure and have your clubs sign up for the 'food fest', skits and costume parade for the evening events!

SATURDAYS ACTIVITIES:

We again are asking our Past District Governors to be honored in the Parade of Banners on Saturday mornings Business Session and of course all clubs are asked to participate with their Banners too. Be proud of your Club, bring that banner, and honor your Presidents as they walk in the parade!

District Governor Elect Bill Windham will hold a meeting for all Presidents, Secretaries and Treasurers on Friday afternoon but he tells me ALL Lion members are more than welcome to join with him. He has opted to not have training classes so everyone can relax and enjoy this convention!

Thanks to all who have sent in their registrations, and those of you that haven't please get your registrations in 'soonly' as we need to know your choices from food to fun...your Convention Committee hopes to see you all there!
