Lions Clubs International
District 4L-5 † California

Lion 'Bill' Windham, District Governor
2010 - 2011

Hello District 4-L5 and welcome to September!! IP Sid Scruggs wanted August to be a month to serving our youth and form many clubs, they have done just that. I know that a few clubs have found a service project to assist the youth.

My home club, the Hemet Breakfast Lions, took on a project for providing a snack bar for a local football youth program. The sales generated pay for the supplies and the profits are donated to the league. The project takes 2-3 days and will include some Saturdays, but the exposure is intense. We have had many comments and questions from people we would never have reached any other way. The monies go to help the less fortunate provide for their children to play football.

I want to let you all know, even though it is probably common knowledge by now, that the Convention Committee decided to move the Convention from Primm, NV to Ventura, CA. The decision was not taken lightly. The Convention Committee, with PDG June Decker, last year's chair, 1VDG Ken and myself went to Primm to inspect and review our options. The facilities at Ventura were also reviewed and the committee agreed that Ventura would be a better place. I want to thank all of the committee and others involved. Not an easy decision, but well handled. I also want to thank the many Lions who let us know their opinions, believe it or not, we do listen.

Lastly, please contact me concerning what projects that each of your clubs would like me to work. I need the dates and times so that I can check my calendar. Will report on some of those projects next month. Until then, remember each person you help is a seed planted. you are influencing people simply by being a Lion. You are making a difference.

Yours in Lionism, DG Bill

Vice District Governor Ken Reed

If you have thoughts about attending this year's USA/Canada Leadership Forum in Milwaukee, Wisconsin you had better get your reservations sent in right away.

The dates for the forum are September 23 to 25. Georgia and I will be flying in on the 22nd so we can be in attendance for the entire time. After our experience last year, we feel right now that we won't miss another one.

Next year the site is Anchorage, Alaska and that will be an experience in itself. If you have any aspirations at all in taking a leadership role in your club or in the district, this is a great way to get your feet wet and learn firsthand the workings of the Lions organization. Most of you know that Georgia is not a Lion and has no intention of becoming one, but she came away from the forum in Memphis just as excited and motivated as I was, so there is a place for a non-Lion spouse, SPSO at the forum.

Once again I make a plea to all of the clubs who have not yet given project dates to District Governor

Bill to get them to him as soon as possible so he can complete his calendar of visits. Official visits are being conducted by Zone Meetings but Governor Bill along with me and 2nd VDG Walt will be joining any and all clubs in working club service and fundraising projects.

Any clubs that still want to have an Official Governor Visit please let DG Bill know so he can get you on his calendar. There is a host of things to accomplish and believe it or not, there is very little time to get them done. The year goes quite rapidly.

We want to encourage everyone to attend the next Cabinet Meeting set for October 10 at Rosita's Restaurant in Barstow. ***"Making A Difference With Service As A Team"*** is just exactly that.

The TEAM is not just the Cabinet Officers but the entire district. Ever Lion in the district is a vital member of the team and is needed to make the district function and grow. Region Chair Dr. Mark Bellnap has set up a great venue for the meeting and the meals at the place according to DG Bill and RC Mark are something to write home about. The cost has been set at \$20 per person and the meeting is set for 10:00 am to 2:00 pm. The mini-cabinet meeting will be held prior to the start of the regular Cabinet Meeting.

Please let me say one very brief word in closing. No organization can flourish if it doesn't continue to grow. Our district is no different, so let's get out there and find those quality individuals who will work alongside us in serving our communities.

Winston Churchill once said, "We make a living by what we get. But we make a life by what we give."

Yours In Lionism
Kenneth L. Reed,
Vice District Governor

2nd Vice District Governor Walter Gridley

I like to look towards the future of our district to reach out and plan for the needs of our District to keep it moving forward. So I will talk about two items that needs every club to start the planning process. The first item is the Student Speaker contest. All clubs need to have a chairperson in place now. When the information card is mailed out to the Clubs by MD-4, they can be hand it to

the Club Student Speaker Chairperson to be maid back to MD-4 for the Student speaker package. This year's topic "Enforcing Our Borders – State versus Federal Rights" is a very interspersing and challenging topic. Our District needs to get more of our students involved this year.

Also while on the subject of the Student Speakers, The foundation that finances this project is starting a fund raiser that all our members can get involved with. This is the collections of old cell phones and inkjet cartridges. Bring them to any of our District meetings or somehow get them to me and I will get them to the Council of Governors

meeting. The funds received from this recycling will be credited to our District. Let's show that District 4-L5 is helping in this fund raiser.

The second subject is an old but very important subject. I know some are tired of hearing about it. That is the subject of "MEMBERSHIP." I have to report that our District is in trouble. But with each members help we can pull it out of our recent slump. To be a vital District we need at least 1250 members. We now stand at around 1140 members. I would like to report on the positive side that in the last seven years we brought in about 1000 new members. We need to pat our

self on the back for that. So what is the problem? At the same period of time we did not close our back door or even made an effort to close or narrow the exit. We had about 2000 good people who chose to be members leave.

Our Membership Retention is the problem. This I and the MERLO Team will be talking about in the next several months. We need to reach out and challenge this Retention problem, because we need the members to help us serve our communities, because :

"WE SERVE".

Walt Gridley,
2nd Vice District Governor

Dottie's Dis 'n Dat

Now if I were a superstitious person I would really begin to wonder about our next District Meeting - 10/10/10 - hm-m-m-m.....I was recently watching the Today Show having my morning coffee and they had a really nice couple on there that got married 8/9/10 at 11:12. Someone who studies numbers could really go into detail on this subject but me....I'm happy balancing my checkbooks each month.

Something else that makes me happy lately is seeing the good turnout we have been having for the "ESP" times - Eyeglass Sorting Parties - so good that Lion Don and I are going to continue them the first Saturday of each month at the Chamber of Commerce office, 615 N. San Jacinto St. in Hemet - from 9 AM to 12 Noon - refreshments are furnished and everyone is welcome and gets a job to do.

We have sorting-washing-reading prescriptions -boxing up the glasses to go to Lions In Sight in Vallejo and we are making a huge dent in the backlog at the recycle center.

Lion Don is happy-happy-happy! They now have more and more glasses to take on the sight clinics. Plan to come along and help- lots of fellowship and we get some good done too - and don't forget to report your hours to your club secretary for the reports.

There is a flyer in this district bulletin for the October 10th District Meeting in Barstow - share it with your club members-make your paid reservations and come enjoy more fellowship with your fellow Lions and Lioness.

See you around the district!

Dottie Allen, PDG
Cabinet Secretary

On Saturday, August 14th, 2010: Friends in Sight did a vision screening in conjunction with several Lions Clubs from the North Citrus Region. We departed our Yucaipa staging area at 5:45am and arrived ahead of schedule at the clinic site, the Trinity Lutheran Church in Victorville, CA. CITY OF HOPE UPDATE

Dear Lions:

We have been diligently working on the tiles, and have recovered close to or a little more than half so far – a giant thank you to Bill Walters, from Montebello Lions, and to Chino Valley and East L.A. Lions for their invaluable time and dedication in assisting with this project!

Still, a significant amount of tiles remain to be removed. We've been given an extension of another 3 weeks to remove the remaining tiles, and if anyone can spare any time to come help, I would be immensely grateful. PLEASE CALL ME TO MAKE ARRANGEMENTS – 800.544.3541 x26563 – you can reach me by email or voicemail at any time of day; I will return your calls/emails promptly.

If you would like to come help with the tiles, please plan to bring work gloves (when they shatter, the tiles have razor sharp edges), a chisel or putty knife, and hammer. Please also be prepared for the sun and heat and wear sunscreen/a hat.

The ideal time to work on the tiles is in the morning and early part of the afternoon, before the hottest part of the day – roughly 8 am – 1:00/2:00 p.m. We are hoping to have a group scheduled for next Saturday, August 28th, but I will try to make myself available at **any** time that anyone is able to volunteer. PLEASE DO NOT SHOW UP WITHOUT SCHEDULING TIME IN ADVANCE!!

Once all the tiles have been removed, they will be sorted and returned to Districts/Clubs/Individuals. This is a lengthy process, likely to take months, so please be patient as we work to remove and return all of the tiles!

Thank you, as always, for your ongoing support and efforts on behalf of City of Hope !

Important 2011 Convention Changes

Attention All Lions, Lioness & Leos

“Take me out to the Ball Game”, that’s the theme for our convention taking place in May of 2011! Our Convention Committee wishes to let everyone know that the site of the 2011 Convention will be the 4 Points Sheraton Hotel in Ventura, CA

Dates of the Convention will be May 18-22, 2011. The committee is looking at the possibility of an extra day for golf (Thursday May 18th) but nothing has been finalized. Input from the golfers would be greatly appreciated.

The golfers could drive to Ventura in the morning then tee it up say around 1 p.m. and still have time to make it to the VIP reception if involved and then the VIP dinner. Anyone planning on playing golf would be coming in on Thursday anyway.

Mark your calendars and dig out those old baseball uniforms. Look for more information at the October 10th Lions Cabinet meeting.

Sincerely,
Your 4-L5 Convention Committee.

TERESITA PINES LIONS CAMP

August 16, 2010

Hello Fellow Lions,

FYI – the Lions Camp at Teresita Pines had the opportunity to purchase another parcel with the ability to hold 60 campers. This will help immensely when we rent to smaller groups and can continue to hold a camp with 200 people at our Teresita Pines one. A great benefit to help with finances!

We are holding a “Paint Party” from Monday, August 30th through Monday, September 6th. We are looking for ‘helpers’ anytime during this period to paint the new camp. We have 7 cabins that need this TLC. You will be able to stay over, if you wish, and Camp Manager John Bauer will feed you free! He is an excellent cook and an RSVP would help in his planning for food and lodgings – Camp 1-800-585-3245.

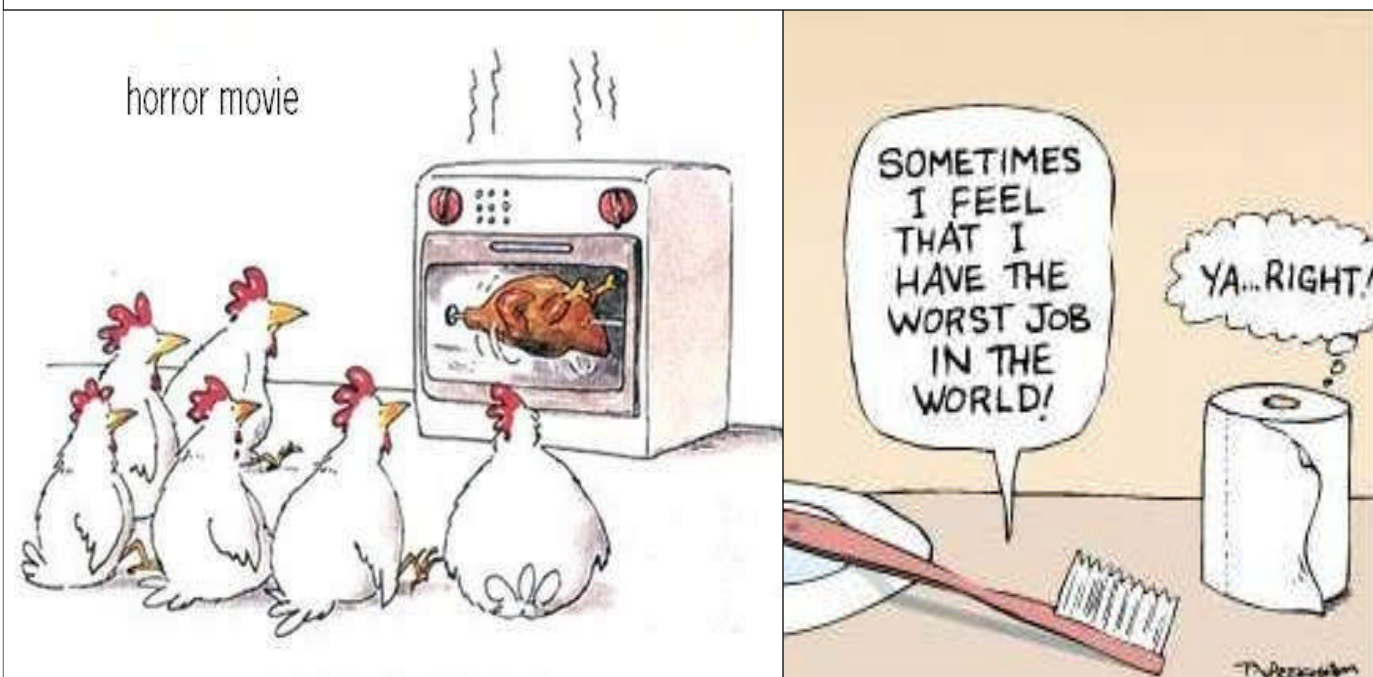

We will have all the equipment and paint so we just need the bodies...

Short notice but we are hoping to have this new camp all spiffy by our Lions Open House September 11th. We look forward to seeing you at the “Paint Party” and will be most appreciative of your support.

Thank you and please pass this information to your membership, family and friends.
