TEMECULA LIONS CLUB

The Temecula Lions Club meets at the Corner Bakery at 32435 Temecula Pkwy on the first Thursday of the month at 7PM.

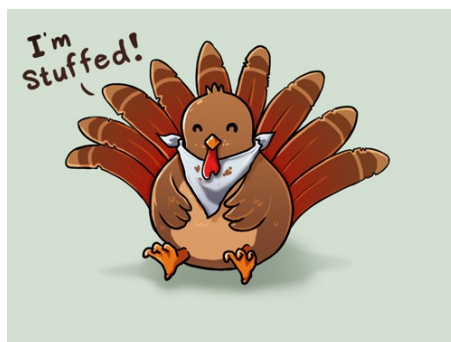

CANNED FOOD DRIVE STARTS TODAY

One of our centennial service challenges is to Relieve Hunger. We have yet to do something about this, and I for one want to complete all 4 challenges so we can dress up our banner. So, with the help of 2 of our members, we will use their offices to collect food items for the pantries. Lion Andy will allow us to use his dental office and Lion Alan will allow us to use his optometrist office. So start collecting and fill up their offices and their customer s will want to help us out. We can decide where we will take all of our food later. We need to do this so we have all 4 challenges met. Get goin'!!

Lions Christmas Party

This year your board has decided to have our Christmas party at Chin's Restaurant on Jefferson ST. They will choose the items, appetizers and such and let you know how much. We should get our own room and we can really have some fun so get ready! December 8th
